

Digital Publishing in the Humanities at Emory Open Access Subvention Agreement

This Open Access Subvention Agreement (“the Agreement”) is entered into by Emory University (“the Funder”) and PRESS NAME (“the Press”). The Agreement will be effective when signed by both parties and as of the date when signed by the last party.

Background

AUTHOR NAME (“the Author”), AUTHOR TITLE at Emory University, has secured a funding commitment from the Funder for a subvention in the amount of \$15,000 to support the open access edition (“the OA Edition”) and the print edition of the monograph *MONOGRAPH TITLE* (“the Work”), forthcoming from the Press in PLANNED PUBLICATION DATE. Furthermore, the Author has secured a commitment from the Funder to produce and co-publish, in collaboration with the Press, an enhanced, open access edition of the work in the form of a Manifold enhanced e-book (“the MEEB”).

Terms and Conditions

The Funder and the Press agree to the following conditions:

Payment to the Press. The Funder will make a full lump-sum payment to the Press of \$15,000 after the Work receives final approval from the Press’s editorial board and within 60 days upon receipt of (1) this signed agreement; (2) a copy of the signed publishing agreement between the Author and the Press; and (3) an invoice addressed to the Funder as follows: Mae Velloso-Lyons, Senior Associate Director of Publishing, Fox Center for Humanistic Inquiry, 1635 North Decatur Road, Atlanta, GA 30322.

Author’s Publishing Agreement. The Press agrees that the Author will hold copyright to the Work and that the publishing agreement reflects this. The Press agrees to amend the Author’s original publishing agreement as may be needed to uphold all other requirements of this subvention agreement.

Production Costs. The Press agrees that the subvention amount of \$15,000 covers the costs of producing the Work as a stand-alone volume and of producing the OA Edition.

Open Access Publication Requirements. The Press agrees to publish the OA Edition:

- in an industry-standard, DRM-free, digital format;
- under the Creative Commons license CC LICENSE NAME, as chosen by the Author in conjunction with the Press; and
- no later than the time of publication in any other format.

The Press agrees to display the Creative Commons license information on the copyright page of all editions of the Work, including the print edition. The following text should be used:

The Press agrees that the OA Edition is the digital version of record and will not sell an electronic version of the book with significant enhancements beyond those available in the Open Access Edition.

Preservation and Accessibility. The Press agrees to send to the Funder a PDF and EPUB file verbatim with the print version of the book which will be deposited in the OpenEmory repository.
